Descriptive Text (200 words):

Azur is a distinctively contemporary lodge located on a hilltop overlooking some of the most spectacular scenery in New Zealand. Set among native trees and with stunning panoramic vistas to Walter Peak station, Cecil Peak and The Remarkables, each lodge offers complete privacy.

Located 4 minutes drive from central Queenstown shops and cafes, the nine villas were designed for you to absorb the incredible views in chic luxury and total privacy. Villas are 75sqm and include bedroom, lounge, dining areas, outside patio, separate bathroom with separate shower and toilet. Constructed of silver beechwood and stone, other facilities include gas fire place, LCD television and DVD/CD stereo system. Bathrooms are spacious and include dual vanities, rain forest shower heads and spa tubs positioned in the window to be enjoyed either indoor or outdoor. Beds and bedding are of the finest quality adding to an exceptional sleep experience.

The lodge is the place to relax in front of one of three fireplaces, perhaps with a book from the library and a cappuccino.
