

Travelling from Auckland International Airport (4 hours) or Auckland CBD (3.5 hours)

Join SH1 north, through Warkworth, Wellsford, Whangarei, Kawakawa and Moerewa. (Note that there is the Northern Gateway Toll Road on SH1 beyond Silverdale but this can be bypassed if desired – follow the optional signage). Approximately 7 km past Moerewa turn onto SH10 at the Pakaraka intersection and travel towards Kerikeri. Continue past the Kerikeri intersection for 19km until the turnoff to Matauri Bay - this is well marked with a prominent "Tourist Route" sign. Follow this road for 15km to turn left towards Te Ngaere Bay settlement. Pass over a small bridge and veer left at the letterboxes, to continue past the reserve on your right and all the beach houses on your left until you reach a 100kph speed sign. Continue 600m and on the left you will see a green letterbox, our Huntaway Lodge sign and black gates. Pass through the gates – this is a gravel shared road so please take care.

Travelling from Kerikeri / Bay of Islands Airport (25 mins)

Join SH10 north and follow the directions to the turnoff to Matauri Bay, then as above.
