**Descriptive Text (150 words):**

Positioned above Lake Taupo overlooking the lake and mountains the new Point View Lodge assumes a premier position in the Taupo accommodation sector. Owners, Bruce and Tricia Robertson are experienced in providing luxury accommodation having operated Point View Lodge in Auckland until recently. Fortunate circumstances have enabled them to transfer the name and their reputation to this beautiful Taupo property.

The lodge is set in expansive lawns behind private security gates with the added delight of a small bush walk within the grounds. There are many areas to enjoy a variety of peaceful places to walk, read and relax.

The lodge comprises three rooms, two with sweeping views over the lake and mountains, a private guest lounge upstairs plus further lounges downstairs. A huge deck opens off the downstairs lounge adjacent to the main dining areas, all of which face the lake and are ideal venues for evening drinks.
