TE KOI THE LODGE

Offers exclusive, luxury accommodation in a tranquil natural coastal garden setting with wonderful water and mountain views. Nestled on the edge of the Waimea Estuary on the secluded end of Nelson's historic Bronte Peninsular, the lodge is surrounded by extensive gardens. Each luxury villa is privately set amongst the trees beside the water's edge.

Four elegant spacious and air-conditioned Suites and Villas are separate to the main lodge and privately located on the Peninsula. All suites offer a private entrance and furnished deck overlooking the estuary. Each Suite/Villa has a dressing room, bath, and walk-in shower. The refreshment area has refrigeration, microwave, toaster and a coffee machine. Sink and dishwasher. Guests are free to use the barbeque in the pool area.

RELAX

Meander the large gardens, and in the parkland setting; swim in the substantial solar heated pool, exercise on the tennis court or play petanque.

Your hosts, Ali and Ian are happy to organise a mountain bike ride along the Great Taste Trail, or in the nearby National Parks., or a special boat excursion in the Abel Tasman Park.

Centrally located in the heart of Tasman Bay, the lodge is just 25-minutes driving from Nelson airport, or perhaps guests would prefer to arrive by Helicopter. The lodge also offers transfers by luxury car. Choose to book

a transfer from the airport or even a private tour to see the sights. Perhaps to Golden Bay or up to a private boat excursion in the Abel Tasman.
